

# Did you know...

The **PinnacleHealth Auxiliary** has served PinnacleHealth and its community for 125 years! Thanks to the many volunteers and members (both women AND men), the auxiliary raises approximately \$300,000 each year to support patient care programs and services through activities such as:

- Club PHantastic Spring Gala & Chic Phantastic Fall Fashion Show
- Management of the Hospital Gift Shops
- Oversight of the Hidden Door Café and Kaleidoscope Kafé
- Newborn Photography Service
- Bailey House home away from home for patient families

In addition, the Auxiliary also provides a variety of patient care programs and services ranging from scholarships to an annual Children's Health Fair. 92¢ of every dollar donated to the Auxiliary comes back to the hospital.
