Teri Jakob - Logistics and Events Coordinator, Auxiliary Liaison
Jodi Mattern - Executive Assistant for Gifts & Endowments
Adrienne Muller - Annual Giving Officer
Emily Sullivan - Manager, Grateful Patient Program

Philip Guarneschelli and Jessica Ritchie
We’ve had an exciting year of exponential growth! PinnacleHealth joined forces with UPMC to provide additional services and increase access to the best health care in the region. In addition, we welcomed five hospitals from Carlisle, Hanover, Lancaster, Lititz and York to further our philosophy of delivering the right care, in the right place and at the right time.

As UPMC Pinnacle--now eight hospitals strong—we will bring expanded health care services and advanced quality initiatives to patients across central Pennsylvania, allowing us to continue to provide high-value, nationally recognized care. While access to UPMC Pinnacle services has expanded, the funds raised through the Pinnacle Health Foundation will remain here in our communities.

We are incredibly grateful for the unwavering generosity of our donors year after year. It is your support that enables UPMC Pinnacle to be the most caring, innovative and trusted health system in central Pennsylvania. Your contributions are as important as any physician, nurse, surgeon, technician, aide or senior manager. Without you, we cannot acquire the space, technology or services to do what we do for the community we all love.

Gifts to the Foundation have helped to improve and save the lives of many community members. In this report, we recognize our remarkable community partners, those individuals, organizations and companies who are actively investing in our region’s health. In 2016, a total of 1,509 donors raised an impressive $5,487,413 for the Pinnacle Health Foundation.

As one health system, united with a common goal, we are strengthening the region one idea, one donation, and one person at a time. Through the Pinnacle Health Foundation, we continue to have the power to heal those who seek premiere care in central Pennsylvania, and for that, we thank you.

Sincerely,

Philip Guarneschelli  
President & CEO  
UPMC Pinnacle

Jessica Ritchie  
Vice President & CDO  
Pinnacle Health Foundation
Because of You ...

We’re helping women build healthier, more hopeful futures through $37,961 in donations that support the Mammogram Voucher Program (MVP) which provided 430 women with free breast screenings in 2016.

In early 2015, Matt Martin visited his family doctor for what he thought was a lingering cold. Shortly thereafter, a nodule was discovered on his lung, and in April 2015, Matt was told he had stage 3 Lymphoma. Just four days after his diagnosis, he began chemotherapy treatment at the UPMC Pinnacle Cancer Center.

The care Matt required was where he needed it, when he needed it. Designed for comprehensive care, the Cancer Center offers a warm and nurturing environment, and personal space in which to heal. This was crucial to Matt’s recovery. With his oncologist on-site and everything necessary for treatment in one place, Matt recalls the seamless process through which he received care.

It takes the right care from the right people to heal. In the nine months he spent undergoing treatment, Matt’s team of caregivers took a special interest in his case, and invested the time to get to know him on a personal level. In the face of a difficult situation, he was offered encouragement and support. For Matt, the compassionate, quality care he received made all the difference in his journey to good health.

Matt has been in remission for nearly 20 months. To this day, he is grateful to have had such advanced care available so close to home.

Holly and Joe Tusing were on top of the world when they found out they were expecting their first child in February 2013. The Tusing’s excitement quickly turned into fear and uncertainty when it was explained to them that their son had a fatal neural tube defect – anencephaly. A condition of which they had never before heard quickly became part of their everyday conversations. Holly still recalls the doctor’s face when he walked in to tell them the news, “He looked like he would fall apart and cry,” she said. The doctor was extremely compassionate as he explained the realities of anencephaly with the Tusings, and told them that there is a zero percent survival rate.

While Holly and Joe struggled to comprehend the news, they knew they wanted to have as much time with their baby boy, Cullen, as possible. Holly spent the remainder of her pregnancy providing Cullen, though nestled in her womb, the opportunity to experience things like lighting a sparkler on the Fourth of July, playing in a creek, experiencing a rainbow, riding on a four-wheeler, and just, as Holly puts it, “enjoying life.”

Cullen Tusing was born at UPMC Pinnacle Harrisburg the morning of October 30, and Holly and Joe were able to meet and spend the entire day with him before he passed away later that evening. They were so appreciative of the compassionate and overwhelming support that they received from nurses, doctors, billing professionals, and office staff that they donated a Cuddle Cot to the hospital in Cullen’s memory. It is their hope that the Cuddle Cot will enable other families facing similar heartbreak to have the private time needed to say goodbye.

“It was devastating learning Cullen had anencephaly, a term which so harshly forced its way into our lives. But we celebrated his life each and every day, enjoying every moment we had with him.”
### In Appreciation of Care

Benjamin Olewine III impacted many people in the Harrisburg community, both personally and through the donations he gave to various organizations across the region. A loyal supporter of UPMC Pinnacle, Ben helped many important projects come to fruition, such as the Emergency Department project at Harrisburg Hospital and the Helen M. Simpson Rehabilitation Hospital. Perhaps his most notable contribution was his support of the orthopaedic floor at Community Osteopathic, aptly named the Olewine Spine Institute.

Dr. William Beutler, Ben’s long-time physician and friend, fondly recalls meeting with Ben about the spine program, “I was appointed medical director of the Spine Institute and felt the need to build an actual place for spine care, rather than a virtual referral system.” Dr. Beutler explained that he had never asked for a significant donation before and has not done so since. “I summoned my courage and met Ben in his Sysco office and told him of my aspiration. He asked very good and appropriate questions, and I, unprepared, had no answers. I left embarrassed for wasting his time and for infringing on our growing friendship. I never mentioned it to him again.” Two years later, Dr. Beutler answered a phone call from Ben, who said “I am writing a check for the spine program.” Dr. Beutler said that he could not believe that two years later he even remembered the conversation, much less make a large financial contribution. The Olewine Spine Institute has since grown to treat more than 2,300 patients each year and has become the model for other centers of excellence.

Following his passing, Ben requested gifts be made in his memory to the Pinnacle Health Foundation so that his legacy would continue through the generosity of his friends and family. Ben established a scholarship fund in

“His philanthropy bettered so many lives and the health of our community. He made us all better, just by being himself.”

Dr. William Beutler

continued on next page
his name to support the educational needs of the nursing staff that cared for him at Community Osteopathic.

Ben’s philanthropy knew no boundary. He contributed to many organizations and funded several projects including the Wildwood Lake Nature Center, the Culinary Arts School at the Harrisburg Area Community College, and the Whitaker Center for Science and the Arts. He was a respected leader in the community, and he leaves behind a lasting legacy of kindness and generosity. Dr. Beutler best describes Ben’s impact on this region, “His philanthropy bettered so many lives and the health of our community. He made us all better, just by being himself.”

The Right Care, In the Right Place:

Building Upon Tradition

Because of the generosity of our donors, the doors of the new fifth floor at UPMC Pinnacle Community Osteopathic opened to patients on May 3, offering 32 new, private rooms that serve both oncology and surgical patients. The new floor was designed with comfort and healing in mind, and provides a warm, peaceful environment that promotes a positive patient experience and better outcomes. With the completion of this project, our caregivers are able to provide the best care possible to each patient that walks through the doors.

UPMC Pinnacle Community Osteopathic has long been known for its commitment to the community it serves. Over the years, we have continued to expand services and space to best meet the health care needs of our community. Completing the build-out of the fifth floor is an exciting next step in ensuring improved access to the highest quality care. Together, we celebrate the successful completion of this crucial project and the ability to take patient care to new heights.
Pinwheels for Prevention® Donors

For 23 years, UPMC Pinnacle has been dedicated to improving the lives of children through the services provided by the Children’s Resource Center (CRC), a nationally accredited child advocacy center. The CRC exists to provide compassionate, quality care in a safe environment for children suspected of having suffered abuse or neglect, or who have witnessed a violent crime in their home or community. The CRC works to reduce the trauma caused by abuse, and help ease the pain so that children and their families can begin the healing process. Most importantly, caregivers will never receive a bill for the important services received.

Thank you to everyone who helped to make Pinwheels for Prevention® such a success in April 2017! Because of your generosity, more than $5,500 was raised for the CRC to continue their incredible work done to improve and protect the lives of children in our community. We are grateful for your support of the CRC’s mission to keep children safe and help raise happy, healthy kids.

Community LifeTeam

Caring for Our Own

Community LifeTeam is made up of a group of professional paramedics and emergency medical technicians (EMT) serving the residents of Dauphin and York counties by providing 24/7 services including non-medical transportation, community education and assistance during life-or-death situations. Community LifeTeam staff is unwavering in their dedication to their jobs and the community they serve.

Dani Kamenar is a shining example of the Community LifeTeam’s devotion. Dani began working for LifeTeam in August 2015 as an EMT. She received her paramedic certification at the end of 2016 and was promoted in April 2017. Shortly after her promotion, at 32 weeks pregnant, Dani was assaulted by an aggressive patient. During transport, the patient became extremely agitated, and Dani was elbowed in the stomach. Unfortunately, the blow to the stomach caused Dani to have a partial placenta abruption, and she was hospitalized for almost four full days, followed by an entire month of bed rest. The blow to her stomach triggered contractions that continued for four weeks following the assault. During a routine visit at 36 weeks, her doctor realized that the abruption had worsened, and Dani went through an emergency induction a month before her due date. Despite the assault, baby Brooklyn Paige Kamenar was born healthy, happy and tiny.

Dani believes that the body armor she was wearing absorbed most of the impact from the patient, preventing additional damage to her and her baby. In fact, Safariland,
the vest manufacturer, inducted baby Brooklyn into their “SAVES Club.” Brooklyn is the youngest of only 1,986 members worldwide to join this exclusive club.

In July, Dani returned to work with Community LifeTeam. She said “I still love what I do! A difficult patient encounter isn’t going to change that. I couldn’t see myself doing anything else. LifeTeam answers a diverse call volume, and I feel like I am making a difference during every shift.”

Donations made to the Foundation in support of Community LifeTeam make it possible to purchase lifesaving equipment, such as body armor, as well as safety gear and tool upgrades. It’s important to protect the lives of those who save lives.

Because of You ...

We’re building safer communities. Community LifeTeam provided 380 home visits, 2,318 follow-up phone calls, and 132 lab draws through our Community Paramedicine Program last year.
The Power of Teamwork

Each year, UPMC Pinnacle employees come together in support of the United Way Employee Campaign and our community by donating to any non-profit organization of their choosing. In 2016, 785 UPMC Pinnacle employees raised more than $590,000, exceeding campaign goal by more than $90,000. Of the total funds raised, more than $350,000 came directly back to UPMC Pinnacle hospitals and programs. Each year, to celebrate the start of the Employee Giving Campaign, UPMC Pinnacle participates in United Way’s annual Day of Caring, the largest one-day mobilization of volunteers in the Capital Region. Last year more than 60 UPMC Pinnacle employees came out to volunteer at the Boys and Girls Club, the United Methodist Church, and United Way of the Capital Region. Much was accomplished and many projects were completed. None of it would have been possible if it weren’t for the time and energy lent by UPMC Pinnacle volunteers. It was an exciting day of bettering the community and working hard to support local nonprofit organizations.
Building a Better Community Together

THIRD-PARTY FUNDRAISERS:

Cars for Kids Event

In an effort to drive home the message of child abuse prevention, the Harrisburg Automotive Trade Association (HATA) held its inaugural Cars 4 Kids Charity Event at the Pennsylvania Auto Show in support of the Children Resource Center (CRC) at UPMC Pinnacle. The January 2017 event raised $41,000 for the CRC – a leading organization in child advocacy. Since 1994, the CRC has provided services to more than 10,000 children suspected of having been physically or sexually abused, neglected, or who have witnessed violence in their home or community. The money raised at this event enabled the CRC to provide advanced support to victims and their families during their treatment at UPMC Pinnacle.

The event was so successful that HATA and UPMC Pinnacle are planning the second annual Cars 4 Kids Charity Event in conjunction with the 2018 Pennsylvania Auto Show on January 25.

“Whether a donation is monetary, through a gift of time, or simply comforting someone who is grieving, giving back allows me to continue honoring my father and sisters’ memories in some way.” - Karen Golin
Joe Allegrini Children’s Hero Fund

The Joe Allegrini Children’s Hero Fund is an organization whose purpose is to raise awareness about child abuse and provide funding for direct services provided by professional organizations dealing solely with child abuse victims. The Hero Fund was created in memory of Joseph Allegrini, who, among many other things was an integral part of the local children’s advocacy center in Harrisburg, PA, the Children’s Resource Center (CRC). Last year, the Joe Allegrini Children’s Hero Fund donated $40,000 back to the CRC in support of expanded mental health services to children.

Central PA Women’s Spring Fling Golf Tournament

The Central Pennsylvania Women’s Spring Fling Golf Tournament celebrated its eighth year in early May, raising funds to benefit the UPMC Pinnacle Mammogram Voucher Program (MVP) through the Triano Fund. The Triano Fund was established in honor of Dr. Gene J. Triano, a radiologist who cared deeply for his patients. Dr. Triano’s daughter, Karen Triano Golin said, “Whether a donation is monetary, through a gift of time, or simply comforting someone who is grieving, giving back allows me to continue honoring my father and sisters’ memories in some way.” Through the MVP, 4,162 women have received this life-saving screening.
The Pinnacle Health Auxiliary

Founded in 1888, the Pinnacle Health Auxiliary has long stood as a symbol of hope and support with its core values of supporting the mission of UPMC Pinnacle and preserving the high-quality, compassionate care for which UPMC Pinnacle is known. The Auxiliary exists to address the needs of the hospital, as well as those in our community. Members of the Auxiliary dedicate their time and energy to raising approximately $300,000 through signature events, oversight of the Hidden Door Café, Kaleidoscope Kafe, and newborn photography services. The Pinnacle Health Foundation is grateful to have the support of this group of individuals who care deeply for the well-being and longevity of UPMC Pinnacle.

**Supported Programs and Services:**

- The Bailey House
- Ernest R. McDowell Health Career Scholarships
- Mammogram Voucher Program
- Pennsylvania Psychiatric Institute Children’s Unit Expansion
- PinnacleHealth Women and Children Services
- Telemedicine Services at PinnacleHealth
- Volunteer Program

2016 Chic PHantastic Fashion Show

**Building Our Services One Catwalk at a Time**

On October 21, 2016, the Pinnacle Health Auxiliary hosted the 19th annual Chic PHantastic Fall Fashion Show and Luncheon presented by VibraLife. With proceeds totaling $57,000, the generosity of sponsors, advertisers, partners and friends of the Auxiliary supported the purchase of Mamava lactation suites. These suites are private, comfortable units where employees, patients and visitors can pump or breastfeed. UPMC Pinnacle Harrisburg was designated a Baby Friendly Birth Facility in September 2014. Having achieved this honor, UPMC Pinnacle Harrisburg is recognized for offering excellence in maternity services, with a focus on infant feeding and mother/baby bonding.
The Pinnacle Health Auxiliary, along with honorary ambassador Margaret Hathaway, hosted the 20th annual Club PHantastic Spring Gala on April 1, 2017. Proceeds from Club PHantastic were used to support renovations to the fifth floor of Community Osteopathic. In doing so, UPMC Pinnacle continues its tradition of family-centered care, which is essential to the treatment and comfort of oncology and surgical patients, as well as their families.

Margaret Hathaway, Auxiliary member

“My dear late husband Derek received some of his cancer treatment at Community Osteopathic. He spent his final days in their ICU, where he was treated with professionalism and compassion from the medical staff. Derek was cared for with respect and dignity and as a family, we were given privacy during this difficult time. I will be eternally grateful for the kindness and sensitivity awarded to us.”

Wine for Mammograms

Along with the traditional Mammogram Voucher Program (MVP) tea, the Pinnacle Health Foundation hosted its 8th fundraising event for the Mammogram Voucher Program at Spring Gate Vineyard, October 11, 2016. Approximately $10,000 was raised to provide mammograms and other diagnostic screenings for uninsured and underinsured patients in central Pennsylvania. The MVP supports one in 24 patients who require additional services such as diagnostic mammograms and breast ultrasounds. Since 2010, this program has provided $767,696 for breast cancer screenings. The MVP does not receive state or federal subsidies, but relies on generous donations from individuals and organizations.

All attending enjoyed the beautiful fall evening with a wine tasting, soulful jazz sounds and a delicious food. A huge thank you to Spring Gate Vineyard, our sponsors and participants, and cheers to preventive care!
New Labor of Love

The 26th Annual Fredricksen Golf Tournament

The Pinnacle Health Foundation hosted the 26th annual charity golf tournament at the Hershey Country Club, June 12, 2017. The proceeds of the golf tournament, approximately $120,000, supported the expansion of maternity services at UPMC Pinnacle Harrisburg. Presented by Highmark and United Concordia Dental, more than 250 golfers and 57 volunteers participated. Tournament participants enjoyed a variety of competitions in addition to 18 holes of scramble golf tournament play. Activities included men’s and women’s longest drive and closest-to-pin competitions, various hole-in-one competitions and a “tutu bad for you” donation hole.
